To be returned to the EWA Office by no later than 11.59pm Monday 30 September 2024

Name:	Marie Willis
Equestrian interest:	Show Jumping
Previous Board / Committee experience:	JWA Committee Treasurer 2024
Reason / objectives for interest in representing EWA on the Jumping WA Committee:	I am deeply passionate about equestrian show jumping and am eager to contribute to its growth and excellence in Western Australia. My objective in seeking a position on the Jumping Committee is to leverage my experience and knowledge to enhance its development, accessibility, and success at all levels.
Equestrian history:	My equestrian journey began at the tender age of four, competing since age 10, marking the start of a lifelong passion and commitment to the sport. Significantly, I have had the honor of representing my home state, Reunion, in national and friendly international competitions. This experience not only honed my competitive skills but also offered me invaluable insights into the operational aspects of equestrian events. Since relocating, I have continued to compete in Western Australia.
Life/Business experience:	As a professional accountant, I bring a wealth of financial expertise and a strong background in financial management that I believe will be extremely beneficial in the role of Treasurer on the Sport Committee. My experience in accounting has equipped me with a deep understanding of financial planning, budgeting, and reporting, which is why I can contribute significantly to the financial stewardship and overall success of the Jumping Committee.
General comments:	In summary, my interest in joining the Jumping Committee stems from a desire to give back to the sport that has been a significant part of my life, to contribute my skills and insights for its betterment, and to work towards a bright and sustainable future for equestrian show jumping in WA.
